Autism Websites

Autism

Child Development Center/Autism Treatment Network – www.nationwidechildrens.org/autism-treatment-network - This site offers information regarding developmental assessments, care coordination, making an appointment and upcoming events.

Autism Speaks – www.autismspeaks.org - click on Resource Guide and use the map to find the state. One you click on the state, you can find a resource by type and then further define the search by zip code. This list is updated annually.

OCALI – www.ocali.org - click on Services and Supports Database (picture of Dad and Son); click on the age category you need to search; if you put in just the zip code, you will get the full list of services in that area. If you specify the service, the list will be limited to that service.

The Red Tree house - www.redtreehouse.org - click on search; click on the county you wish to search in and follow the prompts to further define your search.

Central Ohio Autism Society – for local families – www.autismcentralohio.org - this site will update you on current events and resources in Central Ohio.

Find a Doctor

Nationwide Children's Hospital – www.nationwidechildrens.org -scroll down to bottom of page and click on "find a doc". Follow prompts to locate pediatrician and/or family physician in your area.

The Ohio State University Medical Center – www.medicalcenter.osu.edu - on left side of page, click on "find a doctor" and follow prompts to locate the type of physician needed.

Central Ohio Pediatric Society – www.copeds.org - COPS enhances the role of the general pediatrician and pediatric subspecialists as providers of high quality healthcare for children and adolescents. Browse the Pedicast Podcast for topics of interest.

Family Resources

Cap4Kids – ww.cap4kids.org - Cap4Kids will help you find many community agencies that exist to improve the lives of children and families. The website is updated weekly.

Family Voices – www.familyvoices.org - Family Voices site offers family centered care tools and other resources for families.

American Academy of Pediatrics—www.medicalhomeinfo.org —Medical Home and Family Centered Care resources for families and medical professionals.
