Nationwide Children's Intensive and Special Care Nurseries

NATIONWIDE CHILDREN'S HOSPITAL℠

WITH MORE THAN 190 BEDS, NATIONWIDE CHILDREN'S HOSPITAL SECTION OF NEONATAL MEDICINE IS ONE OF THE LARGEST NEONATAL CENTERS IN THE UNITED STATES.

With locations throughout the Columbus area, our team of neonatologists and nurses deliver the highest level of care, treating thousands of babies every year. Our clinical teams and researchers are dedicated to preventing all complications of prematurity through the development of key programs, including:

:: Newborn Intensive & Intermediate Care
:: Comprehensive Center for Bronchopulmonary Dysplasia (BPD)
:: Neonatal and Infant Feeding Disorders Program
:: Small Baby Program (for premature infants born at less than 27 weeks)
:: Therapeutic Hypothermia
:: Member of the Columbus Fetal Medicine Collaborative
:: Neonatal Developmental Clinic
:: Perinatal Outreach Program
:: Telemedicine
:: Transport

TO COORDINATE A PATIENT TRANSPORT, CALL THE PHYSICIAN DIRECT CONNECT LINE AT 1-877-355-0221, 24 HOURS A DAY, SEVEN DAYS A WEEK, AND REQUEST TO MAKE TRANSPORT ARRANGEMENTS WITH NATIONWIDE CHILDREN'S HOSPITAL TRANSPORT TEAM.

At the time of your call, please have the following information available:

:: Referring physician
:: Patient location (i.e. city, facility and unit)
:: Patient name
:: Patient age
:: Patient weight
:: Parents' availability (i.e. whether currently an inpatient, at bedside, or provide a reliable phone number where they can be reached.)
:: Pertinent medical information to include:
- Current medical condition and suspected diagnosis
- Status of airway, venous access, current medications
- Any other helpful information related to the patient's condition or status.
