CURRICULUM VITAE

Revised: April 19, 2007

Name: John V. Campo, M.D.

Citizenship: U.S.A.

Business Address: Columbus Children's Hospital
Department of Child and Adolescent Psychiatry
700 Children's Drive, Timken Hall, H2K
Columbus, OH 43205

E-Mail: Campoj@chi.osu.edu or John.Campo@osumc.edu

Business Phone: (614) 722-2291 Fax: (614) 722-0491

EDUCATION and TRAINING

UNDERGRADUATE

1974 - 1978	Lafayette College Easton, PA	A.B.	Chemistry

GRADUATE

1978-1982	University of Pennsylvania Philadelphia, PA	M.D.	Edward Stemmler, MD Medicine

POSTGRADUATE

1985-1988	General and Child and Adolescent Psychiatry Western Psychiatric Institute and Clinic Pittsburgh, PA	Resident	David Kupfer, MD Psychiatry
1982 -1985	Children's Hospital of Philadelphia Philadelphia, PA	Intern and Resident	Jean Cortner, MD Pediatrics

APPOINTMENTS AND POSITIONS

ACADEMIC:

2006-present	The Ohio State University Department of Psychiatry	Clinical Professor of Psychiatry
2006-present	University of Pittsburgh School of Medicine Western Psychiatric Institute and Clinic	Adjunct Professor of Psychiatry
2003-2006	University of Pittsburgh School of Medicine Western Psychiatric Institute and Clinic	Associate Professor of Psychiatry

APPOINTMENTS AND POSITIONS ACADEMIC: (Continued)

2003-2006	University of Pittsburgh School of Medicine Children's Hospital of Pittsburgh	Associate Professor of Pediatrics Secondary Appointment
1997-2003	University of Pittsburgh School of Medicine Children's Hospital of Pittsburgh	Assistant Professor of Pediatrics Secondary Appointment
1995-2003	University of Pittsburgh School of Medicine Western Psychiatric Institute and Clinic	Assistant Professor of Psychiatry
1993-1995	Medical College of Pennsylvania and Hahnemann University Allegheny General Hospital Pittsburgh, PA	Assistant Professor of Psychiatry
1990-1992	University of Pittsburgh School of Medicine Children's Hospital of Pittsburgh	Assistant Professor of Pediatrics Secondary Appointment
1989 - 1992	University of Pittsburgh School of Medicine Western Psychiatric Institute and Clinic	Assistant Professor of Psychiatry

CLINICAL AND ACADEMIC ADMINISTRATIVE EXPERIENCE:

2006-present	The Ohio State University Medical Center OSU Harding Hospital	Chief, Child and Adolescent Psychiatry
2006-present	Columbus Children's Hospital	Chief, Department of Psychiatry
2006-present	Columbus Children's Hospital	Medical Director, Behavioral Health
2003-2006	CARE-NET - Child and Adolescent Research Network for Effective Treatments	Psychiatric Medical Director
2001-2006	Children's Community Pediatrics/ Armstrong County Family Counseling Center	Director, Pediatric Psychiatry in Primary Care
2001-2006	University of Pittsburgh Medical Center Western Psychiatric Institute and Clinic	Medical Director, Services for Kids in Primary Care - SKIP
2001-2006	University of Pittsburgh Medical Center Western Psychiatric Institute and Clinic	Attending Psychiatrist, Services for Teens at Risk - STAR
2000-2001	University of Pittsburgh Medical Center Western Psychiatric Institute and Clinic	Attending Psychiatrist, Center for Children and Families
1995-2000	Children's Hospital of Pittsburgh	Director, Behavioral Science Division
1995-1997	University of Pittsburgh Medical Center Western Psychiatric Institute and Clinic	Module Director, Center for Pediatric Psychiatry and Medicine

CLINICAL AND ACADEMIC ADMINISTRATIVE EXPERIENCE: (Continued)

1992-1995	Allegheny General Hospital Pittsburgh, PA	Director, Pediatric Medical Psychiatry
1989-1992	University of Pittsburgh Medical Center Western Psychiatric Institute and Clinic	Medical Director, Center for Pediatric Psychiatry and Medicine, Inpatient Unit
1989	University of Pittsburgh Medical Center Western Psychiatric Institute and Clinic	Medical Director, Child and Adolescent Affective Disorders Inpatient Unit
1989	University of Pittsburgh Medical Center Western Psychiatric Institute and Clinic	Attending Psychiatrist, Adolescent/Young Adult Module

CERTIFICATION AND LICENSURE

State License:	Pennsylvania	1984 - present - MD-031104-E
	Ohio	2006 – present – MD-35087998

SPECIALITY CERTIFICATION:

Child and Adolescent Psychiatry, American Board of Psychiatry and Neurology - 1993
Psychiatry, American Board of Psychiatry and Neurology - 1989
Pediatrics, American Board of Pediatrics - 1987

MEMBERSHIPS, NATIONAL SCIENTIFIC, PROFESSIONAL & OTHER ORGANIZATIONS;

National Alliance for the Mentally Ill	1998-present
American Academy of Child and Adolescent Psychiatry	1985-present
American Psychiatric Association	1985-present
American Medical Association	1985-present
Academy of Psychosomatic Medicine	1992-2000
American Gastroenterological Association	1999-2001, 2003
American Psychosomatic Society	1997-1998
American Academy of Pediatrics	1986-1996

HONORS AND AWARDS

AACAP, Simon Wile Leadership in Consultation Award	2006
America's Top Doctors, Castle Connolly Medical Ltd.	2002-2005
Top Doctors, Pittsburgh Magazine, Child and Adolescent Psychiatry	1996, 2002, 2005
America's Top Pediatricians	2004-2005
NAMI Exemplary Psychiatrist Award, National Alliance for the Mentally Ill	2004
Best Doctors in America	2002-2004
New Investigator Award, NIMH New Clinical Drug Evaluation Unit (NCDEU)	2003
Best Doctors in America, Child and Adolescent Psychiatry	1999
Best Doctors in America, Northeast Region, Child and Adolescent Psychiatry	1996-1997
Fellow, Academy of Psychosomatic Medicine	1996
Dr. Morris Ginsburg Prize, University of Pennsylvania School of Medicine For graduating student best exemplifying characteristics of the ideal physician	1982
Summa Cum Laude Graduation, Lafayette College	1978

HONORS AND AWARDS (Continued)

The James F. Bryant Memorial Prize, Lafayette College	1978
Merck Index Award, Department of Chemistry, Lafayette College	1978
Kappa Delta Rho National Scholarship	1978
Porter Prize in Religion, Lafayette College	1975
David Krouch Memorial Award, North Pocono High School	1974

RESEARCH

R01 MH069715-01 Campo (PI) **7/1/04 - 6/30/08**

National Institute of Mental Health (NIMH) $310,070 30.0 %

Anxiety and Recurrent Abdominal Pain in Children

This study aims to determine the relative efficacy, tolerability, and safety of the selective serotonin reuptake inhibitor (SSRI) citalopram in the treatment of pediatric functional recurrent abdominal pain (RAP). Role: PI

1R34MH073769-01 **Pending**

National Institute of Mental Health (NIMH) $148,675 10.0%

Brief CBT for Pediatric Abdominal Pain and Anxiety

The proposed study will develop and test brief cognitive behavioral psychotherapy (BCBT) for youth presenting with functional recurrent abdominal pain (RAP) and clinically significant anxiety symptoms in traditional medical settings.

Campo (PI) **9/1/04 – 8/31/06**

Staunton Farm Foundation $76,000

Telephone Care Management for Attention-Deficit/Hyperactivity Disorder

Primary aim is to determine the feasibility, acceptability, and efficacy of a telephone care management (TCM) program to improve the quality of care for youth with attention-deficit/hyperactivity disorder (ADHD) recently begun on a new medication in primary care.

1 P30 MH66371-01 Brent (PI) **8/1/02 - 7/31/07**

NIMH $399,264 Consultant

Advanced Center for Intervention and Services Research for Early Onset Mood and Anxiety Disorders

Research Network Development Core

To develop a practice-based research network based in primary care to support studies of practice variation and outcome, as well as dissemination studies. Role: Core Director and Co-Investigator

1U10MH66775-02 Brent (PI) **9/6/02 – 1/31/06** Completed

NIMH $350,000

RUPP-PI at the University of Pittsburgh - Treatment of Adolescent Suicide Attempters

Primary aim is to determine if it is feasible to test for differences between any two of three treatments: medication management plus supportive clinical care (MM), cognitive-behavior therapy (CBT), or the combination of the two (MM+CBT). Role: Co-PI at Pittsburgh site and study psychiatrist

RESEARCH (Continued)

R02 MH63272 Kolko (PI) **10/1/00 – 9/30/05** Completed
NIMH
Effectiveness of Treating Behavioral Problems in Primary Care
The goal of this study is to improve assessment and treatment of children with disruptive behavior problems and their families by comparing the impact of enhanced mental health services delivered by nurse clinicians in primary care to treatment as usual. Role: Co-Investigator and Medical Director

P01 MH41712-16A1 Ryan (PI) **7/1/02 - 1/31/06**
NIMH $138,892 Completed
Project 1--Neurobehavioral Changes in Pediatric Affective Disorder
This project uses in-home measures of behavior, stress, and sleep combined with laboratory assessment to study approach/withdrawal and affective response to stimuli in acute episode and with treatment.
Role: Co-Investigator

K23 MH01780-03 Campo (PI) **9/20/99 - 8/31/04** Completed
NIMH $143,559
Psychopathology and Course of Recurrent Abdominal Pain
Enable candidate to develop skills to independently design and conduct treatment studies for youth with functional recurrent abdominal pain (RAP) and associated psychopathology.
Role: PI

CLX-MD-51 Campo (PI) **5/1/01 - 5/31/04** Completed
FOREST LABORATORIES $35,420
Citalopram Treatment of Pediatric Recurrent Abdominal Pain: An Exploratory Study
This study aims to assess the potential treatment, efficacy, acceptability, and safety of citalopram in functional recurrent abdominal pain via a 12-week open-label trial in 30 children aged 7 to 17 years.
Role: PI

Dorn (PI) **1/1/98 – 2002** Completed
Stress Reactivity and Psychopathology in Children and Adolescents with Recurrent Abdominal Pain
Examines physiologic reactivity to stress paradigms in children with recurrent abdominal pain.
Role: Co-Investigator

Dorn (PI) **7/1/98 – 2002** Completed
Central Research Development Fund, Western Psychiatric Institute and Clinic
Stress Reactivity and Psychopathology in Children and Adolescents with Anxiety Disorders
Examines physiologic reactivity to experimental stress paradigms in children with anxiety disorders.
Role: Co-Investigator

Campo (PI) **9/1/97 - 2001** Completed
Research Seed Money, Children's Hospital of Pittsburgh $10,000
Adult Outcomes in Pediatric Recurrent Abdominal Pain
Explored psychopathological, physical, and functional outcomes in young adults with a history of functional recurrent abdominal pain in childhood.
Role: PI

PROFESSIONAL ACTIVITIES

TEACHING:

Lecturer, Psychology Lectures, Columbus Children's Hospital, Columbus, Ohio 2007- Present

Lecturer, General Psychiatry Lectures, The Ohio State University, Columbus, Ohio 2007 - Present

Lecturer, Teen Clinic, Columbus Children's Hospital, Columbus, Ohio 2006 - Present

Training Director, Child and Adolescent Psychiatry Residency Training Program 2006 - 2007
The Ohio State University Medical Center, Columbus, Ohio.

Lecturer, Child and Adolescent Psychiatry and Triple Board Residency Training Program 1995 – 2005
Western Psychiatric Institute and Clinic, Children's Hospital of Pittsburgh

Course Director, Assessment/Management of Pediatric Mental Disorders in Primary Care 2003
Pittsburgh, PA; Support from an unrestricted educational grant, Forest Laboratories, Inc.

Course Director, Pediatric Psychiatric Diagnostics 2003
University of Pittsburgh School of Nursing

Course Director, Pediatric Psychiatry 1998-2001
Child and Adolescent Psychiatry Residency Training, Western Psychiatric Institute and Clinic

Co-Director, Caring for Children: Coping with Loss 2000
10th Annual Ruth Succop Conference, Children's Hospital of Pittsburgh

Lecturer, Psychopathology and Society Course 2000 – 2001
University of Pittsburgh School of Medicine

Co-Director, Behavioral and Emotional Health in Children: Then and Now 1999
9th Annual Ruth Succop Conference, Children's Hospital of Pittsburgh

Preceptor, Pediatric Psychiatry Elective 1997 – 2000
Office of Medical Student Education, Western Psychiatric Institute and Clinic

Clinical Teaching and Supervision, Child and Adolescent Psychiatry Residency Training 1989 – 1992
Western Psychiatric Institute and Clinic 1995 – 2005

Clinical Teaching, Pediatric Residency Education 1995 –2005
Children's Hospital of Pittsburgh

Clinical Teaching and Supervision 1992 – 1995
Allegheny General Hospital, Pittsburgh, PA

Clinical Supervision of medical students and junior house-officers in pediatrics 1982 – 1985
Children's Hospital of Philadelphia, Philadelphia, PA

TEACHING (continued)**:**

Preceptor, Organic Chemistry Review 1977 – 1978
Lafayette College, Easton, PA

Tutor in Chemistry, Lafayette College, Easton, PA 1977 – 1978

ADDITIONAL RESEARCH EXPERIENCE:

Editorial Board, Psychosomatics 2006 - present

Reviewer, Journal of the American Academy of Child and Adolescent Psychiatry 1997 – present

Editorial Board, Journal of the American Academy of Child and Adolescent Psychiatry, 1998 – 2004

Guidelines for Adolescent Depression in Primary Care (GLAD-PC) Steering Group 2004

Guest Reviewer, Gastroenterology 2004 – present

Guest Reviewer, Adolescent Health Update 2004

Guest Reviewer, American Journal of Gastroenterology 2004 – present

Guest Reviewer, Journal of Pediatric Psychology 2004 – present

Consultant, Eli Lilly and Company 2004

Guest Reviewer, Archives of Pediatrics and Adolescent Medicine 2003 – present

Reviewer, Journal of Pediatrics 2002 – present

Guest Reviewer, Family Process 2001 – present

Guest Reviewer, Acta Paediatrica 2001 – present

Reviewer, Pediatrics 2000 – present

Reviewer, Psychosomatics 1999 – present

Somatic-Psychic Interface Work Group, 1992 – 1996
Task Force on Coding for Mental Health Disorders in Children
The Classification of Child and Adolescent Mental Diagnoses in Primary Care:
Diagnostic and Statistical Manual for Primary Care (DSM-PC),
Child and Adolescent Version, American Academy of Pediatrics

Liaison with Primary Care Committee 1995 – present
American Academy of Child and Adolescent Psychiatry

Physically Ill Child Committee 1991 – present
American Academy of Child and Adolescent Psychiatry
ADDITIONAL RESEARCH EXPERIENCE (continued)

Guest Reviewer, Clinical Psychology Review 1991

Guest Reviewer, Journal of Anxiety Disorders 1991

Research Elective, Hematopoietic stem cell research 1981 – 1982
University of Pennsylvania Cancer Center; Janet Abrahm, M.D., supervisor

Summer Research Program Trainee 1977
Roswell Park Memorial Cancer Institute, Buffalo, N.Y; Jake Bello, Ph.D., supervisor

UNIVERSITY AND MEDICAL SCHOOL:

Search Committee, Center for Clinical and Translational Research 2006 – Present
Columbus Children's Institute, Columbus, Ohio, Director

Seed Money Review Committee, Intervention and Services Research 2003 – 2006
Department of Psychiatry, Western Psychiatric Institute and Clinic

Research Committee, Children's Community Pediatrics 2001 – 2006

Alternate, Human Rights Committee, Children's Hospital of Pittsburgh 2001 – 2006

Human Rights Committee, Children's Hospital of Pittsburgh 1995-2001

Child and Adolescent Psychiatric Consultant, Armstrong Pediatrics 1996-1997

Child and Adolescent Psychiatric Consultant, Western Pennsylvania School for the Blind 1996-1997

Clinical Care Committee, Western Psychiatric Institute and Clinic 1996-2000

Treasurer 1993 - 1997
Pittsburgh Regional Organization of Child and Adolescent Psychiatry

Membership Chairman 1991 - 1993
Pittsburgh Regional Organization of Child and Adolescent Psychiatry

Medical Education Steering Committee, Department of Psychiatry 1994 - 1995
Allegheny General Hospital

Pediatric Psychiatry Consultant, The Rehabilitation Institute, Pittsburgh, PA 1992 - 2000

Medical Emergency Committee, Western Psychiatric Institute and Clinic 1990 - 1992

Utilization Review Committee, Western Psychiatric Institute and Clinic 1989 -1992

Psychiatric Consultant, Conemaugh Valley Memorial Hospital, Johnstown, PA 1987 – 1988

Child and Adolescent Psychiatric Consultant, Allegheny East MH/MR, Monroeville, PA 1987 – 1989

UNIVERSITY AND MEDICAL SCHOOL (continued):

Liaison Psychiatrist, Center for Psychotherapy Training Western Psychiatric Institute and Clinic	1987 – 1988
Child and Adolescent Psychiatric Consultant, Fayette County MH/MR, Uniontown, PA	1986 – 1987

COMMUNITY ACTIVITIES:

Psychiatry and the Courts Subcommittee Supreme Court of Ohio Advisory Committee on Mentally Ill in the Courts (ACMIC)	2006 – present
