

Nationwide Children's Policy on Visa Status

Foreign medical graduates are expected to have a J1 visa. Exceptions to this requirement must be approved by the Designated Institutional Official, the Program Director, and the Senior Vice President - Human Resources in advance of the match and/or letter of offer.

Resident Contract

Special circumstances for individual programs may result in some deviations in the contract. Please contact the individual Program Director or Karen E. Heiser, Ph.D., Vice-President of Nationwide Children's Hospital Institute for Pediatric Education, at (614) 722-4905 if you have questions.
