

One Pair of Eyes[®] Training Module

Nursing Continuing Education/Disclosure Information

- The Planning Committee and Faculty of this activity have no disclosed conflicts of interest related to this content.
- This program is co-provided by Nationwide Children's Hospital and Prevent Blindness Ohio.
- The purpose of this program is to provide healthcare facilitators with the knowledge to teach adolescents awareness of eye safety issues and eye hazards through an interactive learning experience in a format that meets state science and technology standards as well as national health standards.
- Funding for this program was provided by the Ohio Department of Health/Bureau of Child and Family Health Services "Save Our Sight" Program.
- No off label uses will be discussed.
- **Completion Criteria:** In order to receive Continuing Nursing Education (CNE) credit, you must view the entire program, pass the post test with a minimum of 80% and complete the evaluation form.
- Nationwide Children's Hospital's accreditation as a provider refers to recognition of educational activities only and does not imply ANCC Commission on Accreditation, Ohio Board of Nursing, ONA or Children's Hospital's approval or endorsement of any product.
- Nationwide Children's Hospital (OH-033,10-1-11) is an approved provider of continuing nursing education by the Ohio Nurses Association (OBN-001-91), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
- Nurses meeting the completion criteria will receive a certificate for 1.0 hour of CNE.
