Allow TWIG to take the hustle and bustle out of your holiday season this year! By participating in the *Greetings from Nationwide Children's Program*, a holiday card will be hand signed, addressed and mailed to everyone on your list. Clients, friends and family members will know that a gift has been given to Nationwide Children's Hospital in their name. The greeting in the inside of the card reads ***"During this holiday season, a gift has been made in your name to Nationwide Children's Hospital from...(your name here). The patients and staff at Nationwide Children's join TWIG in wishing you all the best this holiday season."***

To participate in the *Greetings from Nationwide Children's Program*, submit the names and addresses of your friends, relatives, service providers and business associates with a check made payable to "TWIG of Nationwide Children's Hospital."
