

## CURRICULUM VITAE

Douglas W. Storm, MD  
Nationwide Children's Hospital  
G280 Timken Hall, 700 Children's Drive  
Columbus, Ohio 43205

SPECIALTY: Pediatric Urology

### EDUCATION AND TRAINING:

Northwestern University Evanston, Illinois	B.A.	9/1992-6/1996
Rush Medical College Chicago, Illinois	M.D.	8/1996-6/2000

### Post Graduate Education:

National Naval Medical Center Bethesda, Maryland	General Surgery Intern	7/2000-6/2001
Geisinger Medical Center Danville, Pennsylvania	Urology Resident	7/2003-6/2008
Nationwide Children's Hospital Columbus, Ohio	Pediatric Urology Fellow	7/2008-current

### EXPERIENCE:

USS John F. Kennedy Mayport, Florida	Naval General Medical Officer	7/2001-6/2003
---	-------------------------------	---------------

### LICENSURE:

Medical Physician and Surgeon	State of Florida ME84069
Medical Physician and Surgeon	State of Ohio 91187

### MEMBERSHIP IN PROFESSIONAL ORGANIZATIONS:

American Urologic Association  
Endourological Society  
Society for Pediatric Urology  
American Academy of Pediatrics

## AWARDS AND HONORS:

Second Place Geisinger Resident Research Day	2004
Honorable Mention – Clinical Research Project Kimbrough Urologic Conference	2007
Second Place – Case Presentation Society of Fetal Urology Fall Meeting	2009

## GRANTS:

“Bacterial Virulence of Uropathogens and its relationship to Urinary Tract Infections in the Pediatric Population” Intramural Grant The Research Institute at Nationwide Children’s Hospital	2009
--	------

## PRESENTATIONS:

“Peyronie's Disease in the Younger Male” James C. Kimbrough Urologic Seminar Washington, D.C.	2002
“What are they thinking? Insight into Men’s Noncompliance Concerning Follow Up after Vasectomy” Mid-Atlantic Section of the American Urologic Association Cambridge, Maryland	2004
“Cystolithopaxy Using Combined Ultrasonic/Pneumatic Lithotripsy in a Neurogenic Augmented Bladder: Description of Technique” World Congress of Endourology Amsterdam, Netherlands	2005
“Robotically Assisted Laparoscopic Hemi-Nephroureterectomy: A Novel and Safe Surgical Procedure in the Pediatric Patient” World Congress of Endourology Amsterdam, Netherlands	2005
“Retroperitoneal Robotic-Assisted Laparoscopic Nephrectomy: A Safe Approach to Nephrectomy in the Pediatric Patient” World Congress of Endourology Amsterdam, Netherlands	2005
“Laparoscopic Management of the Testicular Remnant Associated with the Vanishing Testis Syndrome” Mid-Atlantic Section of the American Urologic Association Phoenix, Arizona	2006

<p>“Laparoscopic Robotic Assisted Nephrectomy: The Geisinger Experience” World Congress of Endourology Cleveland, Ohio</p>	2006
<p>“Robotic-Assisted Laparoscopic Pyeloplasty in Children: An Initial Experience” World Congress of Endourology Cleveland, Ohio</p>	2006
<p>“Robotic-Assisted Appendicovesicostomy: An Initial Experience” World Congress of Endourology Cleveland, Ohio</p>	2006
<p>“Percutaneous Management of Transitional Cell Carcinoma of the Upper Urinary Tract using the Bipolar Resectoscope” World Congress of Endourology Cleveland, Ohio</p>	2006
<p>“Robotic Assisted Appendicovesicostomy: The Video” World Congress of Endourology Cleveland, Ohio</p>	2006
<p>“Histologic Evaluation of the Testicular Remnant Associated with the Vanishing Testes Syndrome” American Urological Association Annual Meeting Anaheim, California</p>	2007
<p>“Robotic-Assisted Laparoscopic Nephrectomy: Experience with 100 Cases” American Urological Association Annual Meeting Anaheim, California</p>	2007
<p>“Experience with Robotic-Assisted Laparoscopic Living Donor Nephrectomy” American Urological Association Annual Meeting Anaheim, California</p>	2007
<p>“Megalourethra, Urethral Stricture Disease, Urachal Diverticulum, Bilateral Ureteropelvic Junction Obstruction, Obstructive Megaureter and Absent Rectus Musculature: A Prune Belly Variant?” Society for Fetal Urology San Francisco, California</p>	2007
<p>“Robotic-Assisted Laparoscopic Living Donor Nephrectomy: The First 50 Cases” American Urological Association Annual Meeting Orlando, Florida</p>	2008
<p>“Bone Morphogenic Protein Receptor Type 1B Mutation: Etiology of Congenital Anomalies of the Kidney and Urinary Tract in a Large Pedigree Analysis” American Urological Association Annual Meeting Orlando, Florida</p>	2008

- “Neonatal Management and Subsequent Repair of Urinary Hydrocolpos associated with a Persistent Urogenital Sinus using the Anterior Sagittal Transanorectal Approach” 2009  
Society for Fetal Urology  
Chicago, Illinois
- “Prenatal Diagnosis of Beckwith-Wiedemann Syndrome” 2009  
Society for Fetal Urology  
Washington D.C.
