Nationwide Children's Hospital Mansfield *Close To Home*SM Center

The pediatric expertise parents count on from Nationwide Children's Hospital is also in your neighborhood. The Nationwide Children's *Close To Home*SM Centers offer specialized care for all children, newborns through young adults. By bringing these services to neighborhood locations, quality pediatric care is right at your patient's doorstep.

We're proud to announce the opening of the Nationwide Children's Hospital Mansfield *Close To Home*SM Center. In addition to the existing heart services available at this location, we are now offering expanded services including neurology, urology and pre-operative evaluation and follow-up care for surgery patients.

Mansfield *Close To Home*SM Center
