TWIG:

TOGETHER WITH IMPORTANT GOALS

Since their inception in 1916, TWIG has raised more than \$26 million to support patient care, education and research at Nationwide Children's Hospital. The women of TWIG believe in the mission of providing the highest quality care to all children and families regardless of their ability to pay.

TWIG are groups of women throughout central Ohio who dedicate their time and talent in support of Nationwide Children's Hospital. These women operate independently, as well as participate in larger projects as a whole organization.

NATIONWIDE CHILDREN'S HOSPITAL

For over 111 years, the exceptional generosity of volunteers and donors has enabled Nationwide Children's Hospital to become one of the premier pediatric health care centers in the world. Nationwide Children's is dedicated to meeting the physical and emotional needs of all children with the very best in pediatric care. With more than 1,000,000 patients visits, Nationwide Children's Hospital is one of the busiest pediatric institutions in the nation. Nationwide Children's mission, to provide excellent health care for every child, continues to guide the hospital today. As Nationwide Children's gains national exposure through its patient care, excellent research and education programs, it will never lose sight of its humble beginnings.

WHERE DO THE PROCEEDS GO?

All proceeds from the 2013 Pumpkinpalooza will be donated to the Inpatient Rehabilitation Unit. Nationwide Children's Hospital was the first in Ohio to open an inpatient physical rehab unit for the pediatric and adolescent population. The Rehab Unit provides comprehensive and family-centered rehabilitation services to patients who have had a serious injury or illness and are now experiencing a loss in cognitive and physical functioning. We provide a dynamic, progressive and interactive therapeutic program to the patient and family with the goals of returning to home, school and their community.
