1. Select the link: <https://ohiohealth.ifhcloud.com/#population?d=es.oh&pid=3d99166e-a86b-4ba4-b2a5-14feb1990951>
2. Select the option to "SIGN IN" at the top right of the page to sign in with your account.

3. After signing in, select the "SIGN UP" button next to the screening category you want to sign up for.

4. Choose the location that you prefer. *note: all available locations are shown by default.

It is recommended that you fast for your screening 8-12 hours; however, if you need to schedule a time when fasting is difficult, don't fast. Tell the clinician team that you are non-fasting. A non-fasting parameter will be used for your results. Water is always allowed.

The Biometric Screening includes a lipid (cholesterol) panel, a glucose screen, possibly a hemoglobin A1C screen, a waist measurement, a blood pressure measurement, and height and weight measurement.

If you have not submitted a negative test for tobacco use in the past, then you will need a screening for tobacco use. Admitted tobacco users do not need a test for confirmation.

If you are pregnant anytime between October 1, 2017 and February 25, 2018 you're exempt from completing a biometric screening. You must contact Employee Wellness by email or phone to receive your exemption.

Form is only for information updates- no need to complete. Choose Confirm Appointment and move to the next screen to finalize appointment and add to your calendar. Thank you!
