

Student Parking

Student parking is at our gravel lot on East Mount Street. Students can use the building address 431 S. 18th Street or 818 East Mound Street for GPS directions. On the map it is **PK-818**.

If the gravel lot is full, student can proceed to PK-N1 which is the paved lot beside the building on East Mound Street. The gate will be up allowing students to park there.

If your clinicals are in the evening, there may be a chance that both parking lots will be full. Students can then proceed to the orange garage. Students are to park on floors 4 and above.

Students with clinicals **on Friday evening and Saturday** can park in the orange garage, floors 4 and above.

If there encounter issues, please report these issues immediately to Rosetta Gordon.
