

Welcome to Nationwide Children's Hospital. We are looking forward to you joining our team in the near future. Due to the COVID-19 updated Exposure Restrictions, the Hospital New Employee Orientation program has been revised. Other than a packet pick-up & brief presentation, orientation will be moved to an online format.

Please read carefully for details below:

- You will need to pick up your packet & attend a brief presentation on your start date. Your recruiter will be in touch the week prior to your start in order to provide details & instructions.
- This will take place in the **Near East Office Building** (431 S 18th Street) & **parking** will be available at the gravel lot (corner of 18<sup>th</sup> and Main) – See **map** below.
- During your pick-up time/brief presentation, you will be provided your employee badge, parking assignment, system login information, and a welcome packet containing pertinent information & instructions. You will also be asked to complete a couple pieces of paperwork during this time.

As always, if you have any questions or need any assistance, please reach out to your recruiter.
