

On the Day of Your Telehealth (Video) Visit

You or your child's next visit with Nationwide Children's Hospital will be by telehealth using Zoom video and your MyChart account. Telehealth lets us help you and your child without an in-person visit.

Things you will need before your video visit:

1. MyChart: A provisional or active MyChart account and the technology to access it. See this link for more information about MyChart:
<https://www.nationwidechildrens.org/family-resources-education/mobile-apps/mychart>
2. Zoom app: if you are going to use your smart phone.
3. Computer with camera and mic: if you are going to use your computer.

If you do not have access to these things, the visit will not work.

SECTION I – Using your computer for your video visit

If using your smartphone, go to Section II.

As soon as you have a video appointment get ready for the visit.

Request a MyChart account if you don't already have one. Go to <https://mychart.nationwidechildrens.org/MyChart/publicforms.asp?mode=showForm&formname=ActivationReq>

On the day of your visit, **log in to your MyChart account 15-30 minutes before the visit time.**

To access your MyChart account go to. <https://mychart.nationwidechildrens.org/MyChart>

After launching your account, click on you/your child's name, click on **ECHECK-IN**

Common question - Date of birth:

- *If you are giving a parent or guardian permission to your MyChart account, it is their date of birth*
- *If it is access to your own record, it is your date of birth*

Now you can click the button that says **Begin Video Visit**. (the **Begin Video Visit** button will work up to 30 minutes before your appointment time)

MyChart will automatically open zoom with the correct meeting ID when you click this Begin Video Visit Button within MyChart.

You will not be linked in/connected until the provider starts your ZOOM session.

When your provider is ready, you will see a button that says **JOIN VIDEO**. Click on the button and your session will begin.

Tip: If at the time of your visit either MyChart or Zoom are not working for you, try to connect from your computer instead of your phone or vice versa.

Section II – Using your smartphone for your video visit

If you do not have a smartphone this will not work.

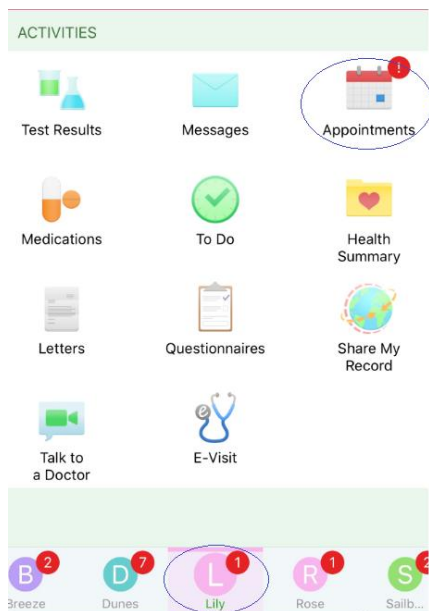

As soon as you have a video appointment get ready for the visit.

1. **Request a MyChart account** if you don't already have one. Go to <https://mychart.nationwidechildrens.org/MyChart/publicforms.asp?mode=showForm&formname=ActivationReq>
2. Download the **Zoom Cloud Meetings** app to your phone.
3. Check it right away to be sure the app downloaded. If you have trouble downloading the app, click here for tips and tricks from **Zoom**. <https://support.zoom.us/hc/en-us/articles/206175806-Frequently-Asked-Questions>

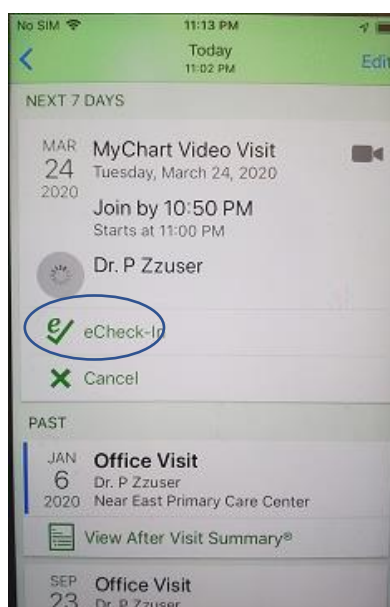

4. **Do not have the zoom app opened when you start your MyChart visit.** MyChart will automatically open zoom with the correct meeting ID when you check in.

On the day of your visit, **log in to your MyChart App account 15-30 minutes before the visit time.**

After launching your MyChart account, click on you/your child's name, click on appointments and

then click **ECHECK-IN.**

Depending on the type of MyChart account that has been created for you, the first page will show **personal information**. Please read it over to make sure it is correct. Use the edit button to change any information

You will have online **consents** to complete before your visit. You need to **review and sign** each one not yet signed.

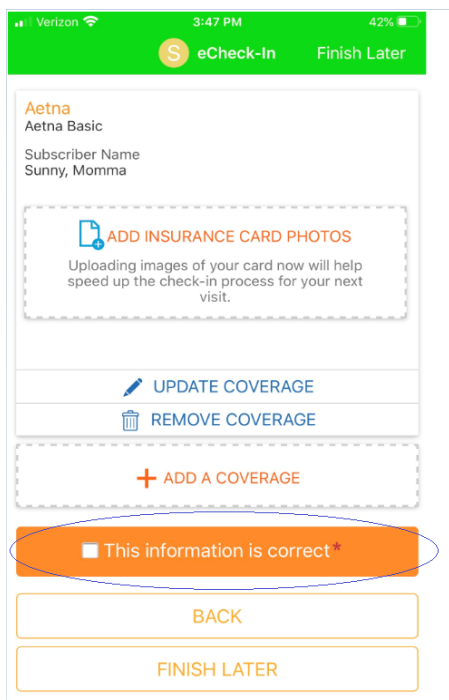

When you complete one form, click **CONTINUE**

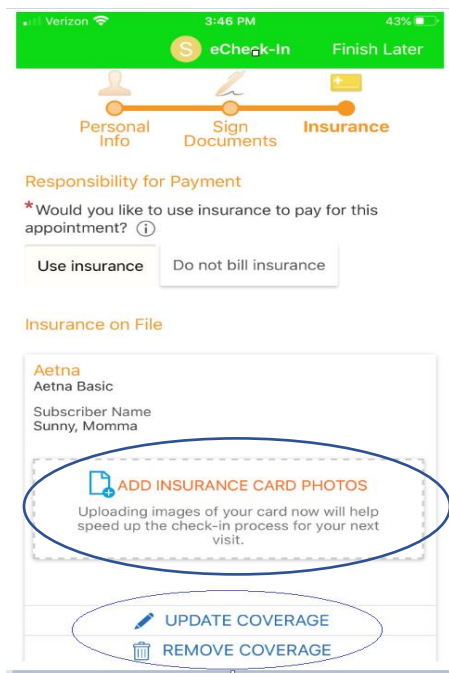

Once all forms are signed, click **NEXT** button

The next screen is about **insurance**. Please read it over to be sure it is correct. If it is correct, click

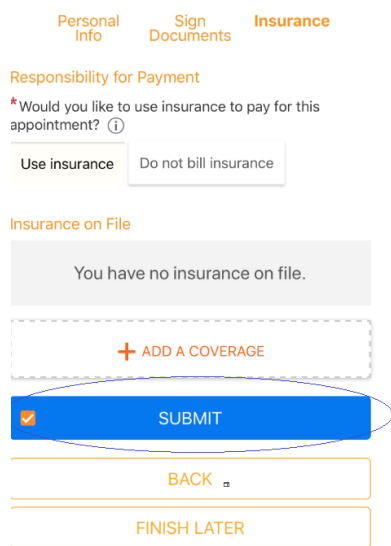

If it is not correct, click update **coverage** or **remove coverage**. If needed, Click **Add Insurance Card Photos**, take a photo of your insurance card and it will automatically be updated.

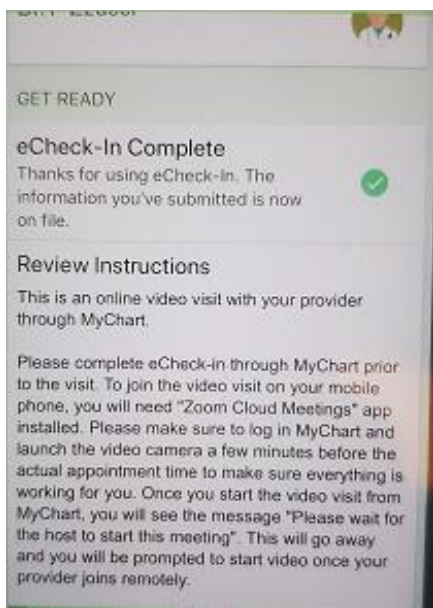

Once you've updated or removed information, click the **this information is correct** button

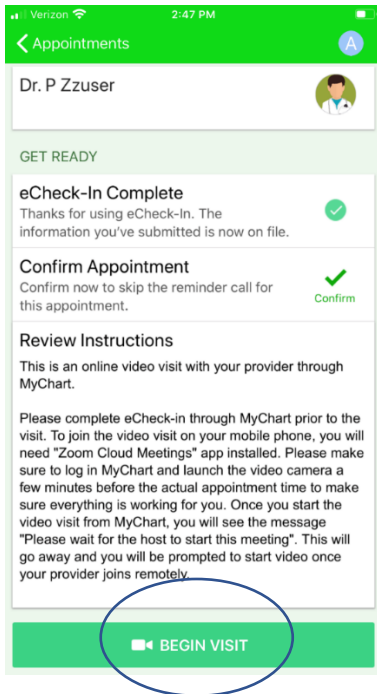

Then click the **SUBMIT** button

When you complete all these steps you will see **eCheck-In Complete**.

After you have completed the eCheck-In and signed the releases you will see a button at the bottom labeled **Begin Visit**. This button will be available up to 30 minutes before the scheduled visit.

When you click on this it will take you to the Zoom session.

Tip: Do not have your Zoom app open when you start your MyChart visit. MyChart will automatically open Zoom with the correct meeting ID when you check in.

If your provider has not arrived in the session yet you will see a screen with meeting information as shown above. Do not leave the session. The provider will be with you. They did not forget about your video visit.

Section III

If a parent or teen with their own MyChart account wants to join the call after the other has done the echeck-in, follow the steps below to join.

Go to **Visits**, then **Appointment and Visits**. Click **DETAILS**

It's time to start your video visit!
[BEGIN VIDEO VISIT](#)

When you are ready to talk to your doctor, click the button below.

Visit Instructions

This is an online video visit with your provider through MyChart.

Please complete eCheck-in through MyChart prior to the visit. To join the video visit on your mobile phone, you will need "Zoom Cloud Meetings" app installed. Please make sure to log in MyChart and launch the video camera a few minutes before the actual appointment time to make sure everything is working for you. Once you start the video visit from MyChart, you will see the message "Please wait for the host to start this meeting". This will go away and you will be prompted to start video once your provider joins remotely.

Section III

If you have any other visits after you have done your initial echeck-in, the information is good for 30 days, and you do not need to complete the echeck-in again. Go to **visits**, then **appointments and visits**. Go to the appointment and click **Details**. Then click **Begin Video Visit**.
