## Nafaqada

Ilmo walba wuu kala duwanyahay. Isku day inaad baratid markii ilmahaaga baahanyahay si aad uga fogaatid quudintooda wax badan. Haddii ay cunnaan wax badan, way dilqi karaan (matag).

- Kaliya sii ilmahaaga caanaha naasaha ama caanaha gasaca.
- Haku shubin mishaari dhaladooda.
- Ha siin ilmahaaga biyo, juus, ama malab.
- Haddii aad naasnuujineysid, ilmahaaga waa inuu qaadan haaya fitamiinada dareeraha ah. Dhaqtarkaaga ama daryeel bixiyahaaga caafimaadka ayaa kuu sheegi karo waxa la siijo.

## 4 Bilood

- Haddii ilmahaada soo kaco habeenkii, isku day inaad dajisid oo dib ugu celisid hurdada ka hor intaadan quudin.
- Waa inaad ogaataa matagida ilmahaaga waxyar inta badan. Tan ayaa wada joogsanayo.

## 6 Bilood

Heerkaan, waxaad dooran kartaa inaad u hordhacdid ilmahaaga cuntada. La hadashid dhaqtarkooda ama daryeel bixiyaha caafimaadka wax ku saabsan cuntooyinkee la quudiyo iyaga. Sii joogteey siinta ilmahaaga caanaha naasaha ama caanaha gasaca.

- Ilmahaaga wuxuu bilaabi karaa barashada cabitaanka ee koobka kabashada.
- Haddii ilmahaaga uusan jecleyn cuntada qaar, isku day markale dhoor maalmood gudahood ama isbuucyo.

- **Ha siin ilmahaaga caanaha saca ama badelada caanaha.** Tan ayaa ka mid ah, laakin kuma xadidna, caanaha looska almond, digirta, boorishka, qumbaha, bariiska, dhirta, ama looska cashew.
- Markii ilmahaaga gaaro inuu si fudud u fariisto, saar korsi dheer (Sawirka 1).
- Bilow inaad ka goysid dhalada habeenkii. Haddii ay soo kacaan habeenkii, isku day inaad u dajisid qaab kale badelkii aad siin laheyd dhalo ama cunto fudud.

## Badqabka

- **Ha dhufan ama ha luxin ilmahaaga.** Haddii aad dareento murugo, ka naso. Qofaad aaminsantahay ha illaaliyo ilmahaaga muddo.
- Ilmaha waxay wax ku bartaan inay geliyaan waxyaabaha afkooda. Si aad uga fogaatid margashada, marwalba ka fogeey iyaga sheeyada yaryar.
- **Marwalba u dhig ilmahaaga dhabarkooda si ay u seexdaan.** Ha ku seixin dhinaca ama caloosha dhabarkooda. Tan ayaa waxay sababi kartaa sixasho ama margasho, taas ka illaaliso neefsashada. **Marnaba** ha u saarin sheeyadaan sarrirta ilmahaaga:
