International Scholars Program Health Insurance Coverage

The **ISP** at Nationwide Children's Hospital (**NCH**) serves as a gateway for emerging or established clinical and healthcare leaders (scholars) from around the world to participate in an approved educational program at **NCH**. If approved by the International Advisory Council, International Scholars may be invited to participate in an educational experience for a period of a few days up to 1 year. The length of the visit period is determined on an individual basis, considering many factors including the educational goals, available **NCH** resources, and the type of scholar.

The International Scholar categories are:

- Independently Funded Scholars
- Stecker Scholarship Funded Scholars (or Stecker Scholars)

All International Scholars participating in a program longer than 14 days in duration must purchase health insurance coverage for the duration of their stay at NCH through a plan approved by Nationwide Children's Hospital and in accordance with the U.S. Department of State's requirements used for the Exchange Visitor (J) non-immigrant visa category found at [Code of Federal Regulations: Title 22 Chapter I Subchapter G Part 62 Exchange Visitor Program](#). Visits for 14 days or less may be covered by the scholar's current health plan or by traveler's insurance.

After acceptance into the program and prior to arrival at NCH, International Scholars with:

- **B-1 Visas**
- **J-1 Visas**
- **Visa Waivers** (As determined by the U.S. Department of State) are required to secure NCH approved health insurance coverage through an NCH approved insurance provider. Health insurance coverage should begin no later than the first day at NCH and end no earlier than the last day at NCH.

The minimum coverage required by **NCH** must match the minimum coverage and minimum benefits required by the U.S. Department of State Exchange Visitor Program regulations [22 CFR 62.14] found here: [Code of Federal Regulations: Title 22 Chapter I Subchapter G Part 62.14](#). **NCH** and the U.S. Department of State also require that any J-2 dependents (spouses and minor unmarried children under the age 21) accompanying International Scholars are required to carry medical insurance at the minimum benefit levels stated in the program regulations as well [22 CFR 62.14] found here: [Code of Federal Regulations: Title 22 Chapter I Subchapter G Part 62.14](#)

NCH will cancel approval or terminate the visits of Scholars who do not purchase and maintain health insurance.

International Scholars Program English Language Verification

In accordance with the U.S. Department of State's (**DOS**) requirements used for the Exchange Visitor (J) non-immigrant visa category found at [Code of Federal Regulations: Title 22 Chapter I Subchapter G Part 62 Exchange Visitor Program](#), the **DOS** requires **J-1** program sponsors to determine that prospective exchange visitors have sufficient English proficiency to successfully participate in his or her programs. Per this regulation, the sponsor must show that the exchange visitor:

Possesses sufficient proficiency in the English language, as determined by an objective measurement of English language proficiency, successfully to participate in his or her program and to function on a day-to-day basis. A sponsor must verify an applicant's English language proficiency through a recognized English language test, by signed documentation from an academic institution or English language school, or through a documented interview conducted by the sponsor either in- person or by videoconferencing, or by telephone if videoconferencing is not a viable option. [22 CFR 62.10(a) (2)]

Regardless of VISA type, all of the International Scholars participating in a Nationwide Children's Hospital (NCH) International Scholars Program (ISP) longer than 14 days in duration must adhere to standards contained in this regulation.

Proof of English language proficiency must come from one of the following sources. Supporting evidence must be attached.

Indicate attached source of supporting evidence:

- ☐ Official score record from a recognized English language test* taken within 3 years of exchange visitor application and meeting minimum score requirements.**
- ☐ Proof of a degree with a transcript for a program taught in English, completed within the last 12 months.

*Accepted tests include the Test of English as a Foreign Language (TOEFL) and The International English Language Testing System (IELTS)

** Minimum score requirements are: IELTS score of 6 and TOEFL score of 16 in each of the categories. Evidence of how NCH measured applicants' English language proficiency will be retained in the applicant file so that it may be made available to the DOS upon request. [60301]

International Scholars Program Stecker Scholarship Memorandum of Agreement

The purpose of the Stecker Scholars Program is to improve healthcare provided to all children around the world, regardless of their race, color, creed, or national origin.

To accomplish this purpose, Nationwide Children's Hospital (**NCH**) has agreed to train the undersigned in pediatric healthcare provider in Columbus, Ohio, U.S.A. The purpose is fulfilled by the undersigned utilizing his pediatric healthcare training in his/her country upon completion of the Stecker Scholars Program.

In consideration of the Stecker Scholarship provided to the undersigned by **NCH** in the amount up to **\$7,486.00**, the undersigned does hereby acknowledge, and agree, that he/she will return to his/her home country of _____ within thirty (30) days after completing the Stecker Scholars Program unless the undersigned extends his/her visit to the United States by engaging in another educational program, with **NCH** approval. Said approval must be obtained before the beginning of the undersigned Stecker Scholarship funded observation period.

The undersigned agrees that all expenses for the visit will be his/her responsibility. Upon completion of his/her scheduled healthcare training experience at **NCH**, the undersigned will practice in the field of pediatric medicine or nursing for not less than two years from his/her date of return to home country.

The undersigned acknowledges, and agrees, that if he/she fails to return to his/her home country of _____ within the agreed time period, to practice for at least two years in the field of pediatric medicine, he/she will reimburse the Stecker Scholars Program at **NCH** the total gross amount received through this program, plus 6% interest, and all other costs incurred, including attorney fees.

In signing this Agreement, the Stecker Scholar acknowledges that family members cannot accompany them to **NCH**.

Stecker International Scholar award recipients must obtain a J-1 visa and provide clear copy of the J-1 visa to the International Scholars Program prior to traveling to **NCH**. The Stecker Scholar Program will not provide a stipend unless proof of a J-1 visa, is received by the Program prior to arrival at **NCH**.
