### Top Reasons Our Fellows Excel

#### Research Experience
- Cross disciplinary research opportunities
- 30 Nephrology and Urology Faculty Research Mentors located at Nationwide Children's and The Ohio State University
- Large research coordinator pool to assist fellows in research
- Biostatistician support
- Opportunity for advanced degree (Master’s)
- Fellows attend 1-2 biomedical/research meetings per year

#### Clinical Care Training
- Rotations
  - Renal pathology
  - Dialysis
  - Urology
  - Kidney transplantation
- Multi-disciplinary clinics
  - Urology/Nephrology
  - Lupus Clinic
  - Metabolic Bone Clinic
- Procedures
  - Kidney biopsy
  - Peritoneal dialysis catheter placement
- CRRT
- Acute hemodialysis
- Acute PD
- Aquapheresis
- Primary nephrologist for the following patients:
  - General nephrology
  - Transplant
  - Hemodialysis
  - Peritoneal dialysis
- CRRT University
- Annual Dialysis Conference Pediatric Dialysis Fundamentals Course

#### Other Career Building Experiences
- Annual Ohio Kidney Camp
- Local and national nephrology advocacy opportunities
- ASPN
  - 3 ASPN JELF scholars in the last 12 years
  - Active involvement in ASPN committees and projects
- ASN engagement
- 3 Chairs of pFENA in the last 10 years
- Training in medical education
- National Kidney Foundation Involvement
- Quality Improvement engagement and support

#### Career Advancement (Accomplishments)
- 100% Pediatric Nephrology Board Pass Rate
- Fellows average 4 publications during training
- Fellows average 4 national presentations during training
- 12 past fellows in academic nephrology positions
  - 2 Division Chiefs
  - 4 Physician-Scientists
  - 1 MPH
  - 1 Masters Degree
  - 1 Hypertension Program Director
  - 1 Dialysis Director
  - 2 Uro-Neph clinical directors
- 20 fellow graduate awards
  - 3 NIH Career Development Grants (K08)
  - 3 NIH R03 awards
  - 5 NIH R01 awards
  - 6 Nationwide Children’s Intramural grants
  - 2 ASN grants
  - 2 National fellowship research awards
