

Program-To-Go SM

Need a safety or injury prevention program for a classroom, community organization, or health fair?

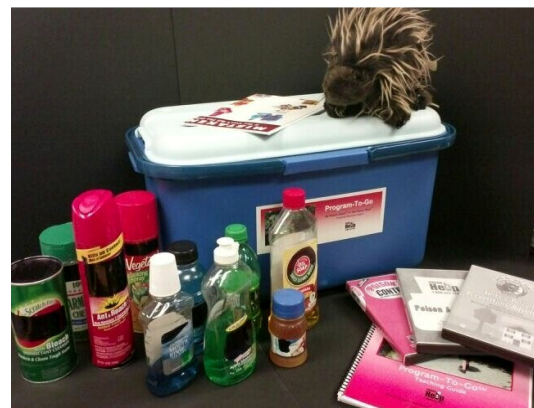

Unable to attend every health fair or presentation request in person, the Central Ohio Poison Center educators developed a state-of-the-art educational tool kit, the Program-To-Go SM, offering a turn-key presentation without any previous training in poison prevention!

It's all in the kit:

- 5 - 6 display set of "pretty poisons" (look-alikes that are safe to use in public)
- Customized handouts (telephone stickers, brochures, magnets, etc.)
- Teaching Guide with age appropriate lesson plans
- "Mistaken Identity" - poster (11"x14")

Additional/Optional Resources:

- Puppet (Spike, the porcupine)
- DVD/VHS ... Spike's Poison Prevention Adventure (for 3-6 years of age)
- DVD Poison Adventure (for elementary age children)
- R U Smarter than Poisons? – interactive game for 3-5th graders
- DVD/VHS ... Poison Control in Action (for adults: parents, caregivers, and for the elderly)

It's easy to use as 1, 2, 3 - Review the materials, set out the props and you have all you need for a brief talk or lesson about poison prevention. The message is easy to tailor and well received from 3 yr olds – seniors.

If you would like to borrow or purchase a **Program-To-Go SM Tote** please contact the Educators of the Central Ohio Poison Center at **(614) 355-0463**.

If you are borrowing the tote, let us know:

- a) when do you need it?
- b) how long would you like to use it?
- c) how many attendees are you expecting?
- d) what age group is your audience?

The Tote can be picked up at the Central Ohio Poison Center or it can be mailed to outside of Franklin Co. The only cost is to return the tote by mail (\$12 -14 via US Postal Services or UPS).

Testimonials

"I really like the portability of the program. The pretty poisons that are carried in the display tote are truly a 'program to go'! It is a great idea to take on the road to explain the Be Poison Smart! Program."

~ Community Education Coordinator, Zanesville

"Our seniors appreciated the medication safety education. They shockingly responded to most of the displays: I never thought about it that way!"

~ Senior Center Nurse, Southside Columbus

"It was great to know this was available. We used this to fulfill my daughter's 4H requirements on First Aid and Childcare. Very easy for her to follow and present."

~ 4 H Advisor, Columbus

"Excellent program. Well-organized tote. Made me look good."

~ Preschool teacher, Franklin County
