Consents

It is required that everyone sign the Recreation Unlimited consent to attend this program. You will be asked to do this when you check-in for the event.

Cancellation

If you sign up but then find out you cannot attend, please let us know as soon as possible by calling (614) 355-0662 or emailing CommunityEducation@NationwideChildrens.org

Confirmation

Confirmations and directions will be sent to every family that registers for the program.

Presenters

Kandi Augur

Kandi was a Medical Diagnostic Sales Specialist for 20 years at Bayer and most recently Labsco/McKesson. Kandi is also a trained chef. She recently left her medical career to further pursue her passion of traveling and cooking. She is the mother of two daughters and a brand new grandmother. Kandi was born with a limb difference, but hopes to show and convey that there are no limits to what we can achieve in life.

Jim Popp, MD

Dr. Popp is a surgeon and director of the Hand Service Program at Nationwide Children's. Dr. Popp specializes in surgery of the hand and upper extremity in adult and pediatric patients.

Meredith Sprinkle Reynolds

Meredith is a graduate of the University of Cincinnati where she was a member of the UC Dance Team. She spent most of her life dancing on stages and performing in front of crowds, but after college, turned her focus to a career in Information Technology. She has worked as an IT Analyst for over 20 years - 18 of those at Nationwide Children's Hospital and currently works for Trinity Health. When Meredith isn't busy with work, she spends quality time with her husband, loves watching her 14 year old daughter follow in her footsteps as a dancer, and enjoys relaxing with her two dogs!

Aaron Westbrook

Aaron Westbrook is a graduate of The Ohio State University Fisher College of Business and Founder & CEO of the nonprofit organization Form5 Prosthetics. Form5 empowers people to successfully interact with their world and future. Form5 is well positioned to rapidly scale the organization's impact by helping more people with limb differences acquire the resources, confidence, and support to accomplish anything they imagine. Form5 generates impact through its pillars of Community, Education, Research & Development, and Manufacturing.
