

Laboratory Services Important Test Announcement

UPDATES TO AMIKACIN, PRE-DOSE AND AMIKACIN, POST-DOSE

Test Code(s): **PAMK** and **AMIK**

Live Date: **8/12/2025**

Effective August 12, 2025, the Amikacin, Pre-dose (**PAMK**) and Amikacin Post-dose (**AMIK**) normal range and alert values will be updated as shown in the below chart. This update is due to a change in test kit manufacturer and internal comparison studies.

Normal and alert range updates:

Test	Old Reference Range	New Reference Range	Old Alert Value	New Alert Value	Units
Amikacin, Pre-Dose	<8.0	<15.0	>8.0	>14.9	µg/mL
Amikacin, Post-dose	15.0 - 30.0	26.5 - 45.0	>40.0	>60.0	

If you have any additional questions about **PAMK** and **AMIK**, please call Client Services at 614-722-5477.
