

Inpatient Rehabilitation Program

2023 Annual Report

**NATIONWIDE
CHILDREN'S®**

When your child needs a hospital, everything matters.

CHOOSE THE INPATIENT REHABILITATION PROGRAM

at Nationwide Children's Hospital

A robust multidisciplinary psychosocial team to meet the patient/family needs.

We (Nationwide Children's) are one of the largest and most comprehensive pediatric hospitals in the U.S.

Our most important goal is to successfully return patients to home, school, and community.

We are located within a 527-bed pediatric Level 1 Trauma facility.

Direct and immediate medical and diagnostic services are available for our patients.

Our patients stay in private rooms with attached bathrooms.

Parents are welcome to stay 24 hours a day/7 days a week.

We are affiliated with the largest Ronald McDonald house in the country.

Visit [NationwideChildrens.org/Rehabilitation](https://www.NationwideChildrens.org/Rehabilitation) for more information and outcomes.
