## PLAIN LANGUAGE SUMMARY OF THE FINANCIAL ASSISTANCE POLICY (FAP)

### **FINANCIAL ASSISTANCE PROGRAM**

**\*\* See back of this page for an application \*\***

Nationwide Children's Hospital provides free or discounted care for basic, medically necessary services to individuals qualifying for the Financial Assistance Program or Hospital Care Assurance Program (HCAP). Patients must use all other resources, including application to the local Department of Job and Family Services, before financial assistance will be considered. Eligibility for assistance is based upon total gross income (how much you make before taxes) and the number of dependents in the family. Eligible patients will not be charged more for emergency or other medically necessary care than amounts generally billed (AGB) to those patients who have insurance. Eligibility for financial assistance applies to all patients regardless of race, color, creed, ethnicity, national origin, age, sex, sexual orientation, gender identity, religion, or disability.

#### **Qualifications:**

At or below 400% of the federal poverty level

Cannot be a recipient of Medicaid – Medicaid recipients who receive Medically Necessary Care not covered Medicaid will be covered by the Financial Assistance Program.

Live in the State of Ohio - Non-Ohio residents requesting financial assistance for non-emergent medical care must be pre-approved for financial assistance before receiving care.
